## Minutes from the Last Meeting

**Our last meeting was held Thrs. December 1st at the**

**Canton Library. It was a planning meeting for field trips for the upcoming year, and to go over our club's registration form and show flyer for 2012. Our show date has been set for August 25th and 26th at the Madrid Community Ctr. Bob Taillon will do some research for Motel and Bed & Breakfast listings for our flyer. We decided to change some of the wording this year on the flyer and registration as far as camping and fees, and many good ideas were put into place for both the flyer and the registration form. We have had calls on the website wondering when the new show dates and info would be added. Bill and Joanna will get the information to Glenn Simonelli as soon as possible for it to be updated. It was decided that we would not have the snacks in the Marine Building before the kid's fluorescent hunt on Friday night. We are selling spaces under the pavilion this year and not tables. Camping only for dealers or club members. No "tailgating"; must register for two days instead of one.**

# ROCK PICKENS

## Message from the Prez

This coming weekend, Feb. 25th and 26th, is the Albany mineral show and as always it promises to be a good one. Anyone wishing to carpool to the show contact us to make arrangements. It's a fun trip and so far this year the weather has been cooperative!
