Field Trips:

Scott Sutherland led a field trip Saturday June 16th to LaPlatney Farm. Attending were seven club members who met at Jumbo's Diner in Gouverneur with Bill and Joanna before the trip; everyone enjoyed a great breakfast. Scott will give us a report at the July meeting.

We are sorry to report that one of our active members, Tim Smith and his lovely wife Dianna are moving to Texas where she will be stationed. We will miss them and want to thank Tim for all the hard work he did in getting the club's collection cleaned and organized and in tip-top shape for the show. We want to wish them the best of luck on their new adventure.
