

ROCK PICKKENS

ST. LAWRENCE COUNTY ROCK & MINERAL CLUB Date: July 2013

July 2013

The next mineral club meeting will be July 11th at the Canton Library, pot luck dinner. This will be a very "heavy-duty" planning meeting, getting ready for our annual show. We'll be replacing the dates on our signs and we have a small specimen collection to mark with price stickers for sale at the show. Your "John Hancock" is needed on "show helper" sign-up sheets too. Bring your Bod and Please DO attend !

President: William deLorraine

Minutes from the Last Meeting

05/25, 2013 There were 15 people at the Summer Picnic at Bill and Joanna's including the seven Rochester Lapidary members that came for a weekend of field trips. No meeting was held because there were only 8 members in attendance. A big thank you to Scott Sutherland and Jerry Curcio for leading the field trips. Everyone went home happy with the weekend's events. Jerry won the door prize of a nice piece of pyrite.
