Minutes From the August Meeting:

11 Members attended the meeting. Two cards were passed around, thank you cards for Rocko Rosenblat and Fran MacGreggor for their kind donations to our mineral club. Fran is a lifetime member of our club and has donated all of her collection to us. Rocko also a long time member of our club who had obtained Sky Alverson's collection, has donated a lot to our club.

Dino Zack spoke about the kid's mineral kits. Rocko donated a lot of minerals to this from Sky's collection. Also Jerry Curcio donated much. Thanks to them our club did not have to purchase minerals this year.

Wayne County Field Trips:

Sept. 19-20 (Sat.-Sun.): Finally, St. Lawrence County in 2015. We will join SUNY-Plattsburgh Geology Club at Benson Mines Sat. AM and Rose Road Sun. P with sites TBA. Leader – Fred Haynes M. Trip will

The Zack family has made labels and will make more. Chris Sutherland will get the egg cartons from Price Chopper. Dina will help pick up the minerals in storage and take to the show. Gary Garlough, Lisa, Scott, Bill and Joanna and Dino will go to the storage shed before the show to load up. Dino had 2 flat rate boxes for Franklin NJ minerals costing \$100.00 for the hunt along with many others donated. Dino will put out the caution tape. He has many photos donated for the collage of pictures for display including some from Bill and Joanna, Scott and Chris, Mike Whitton, George Robinson and the Alverson famil. Amy Zack and kids glued the dates on the signs. Gary Garlough said we have 20 tables for the show and 15 more which we are renting. We talked about the rain situation and going to higher ground to set up outside and it was a consensus that we would wait and see and if need be go to higher ground.

Signs were distributed to put out as soon as possible. Alex Kitts is the new Marine Corp. contact. Gary Garlough won the Kyanite specimen our monthly draw. We will have two raffles this year, one agate donated by Fern Alverson and our normal Geode.
